Please join the Altadena Historical Society in celebrating the extraordinary legacy of Ellen Garrison Clark, a Black female civil rights activist and educator. Born in the mid-19th century to a father that escaped slavery, Ellen spent her life as a leader in the fight against slavery and an inspiring educator who touched the lives of countless people who were formerly enslaved. Historical records show that Ellen passed away in 1892 and was laid to rest in an unmarked grave in Altadena's Mountain View Cemetery. **Join us as we celebrate her life and lay a marker on her grave so that she will not be forgotten. The**

marker was made possible by generous contributions from community members.
